Corporate Teambuilding Highlights:

Experience Ziplines, a Sky Bridge and an Abseil Descent

Explore the Geopark's Natural Wonders in Kubang Badak Mangroves with your team

Safely Soar Across the Forest Canopies and Spot Exotic Birds and Animals

This teambuilding tour is the epitome of a grand adventure; encapsulating the thrills, fun and excitement of being outdoors, without forgetting about doing our part for nature during our activities. Nothing beats zipping away at nerve-racking speeds, suspended above verdant the rainforest at heights that would put your heart in your mouth. Feel the sensation of soaring through the air as you pass by the majestic Seven Wells Waterfalls as well as the Matchinchang Peak as you go on a dozen different zip lines. The Andaman Sea, reflecting different shades of blue under the mighty sun, makes the experience all the more worthwhile. Umgawa, the island's first world-class zip line, certainly promises an adventure of a lifetime; infused with different shades of fun as well as being educational—for you and your family!

As one of the gazetted Unesco Geopark areas, Kubang Badak is dominated by the low-lying estuary of the Sungai Kubang Badak. Being a melting pot of important flora and fauna, its mudflats or sandflats are a crucial component, with the mangrove trees sheltering a diverse range of marine fauna species. Thereby, our activity will focus on the seedling planting of these important plant species.
